We do not have responsibility with missing file of this book.

"Y" is none other than unemployed escape artist Yorick Brown (his father was a Shakespeare buff), and he's seemingly the only male human left alive after a mysterious plague kills all Y-chromosome carriers on earth. But why are he and his faithful companion, the often testy male monkey Ampersand, still alive? He sets out to find the answer (and his girlfriend), while running from angry female Republicans (now running the government), Amazon wannabes that include his own sister (seemingly brainwashed), and other threats. The Vertigo team of Brian K. Vaughan, Pia Guerra, and JosÃ© MarzÃ¡n Jr. have given us a great read!
