In Grace Luther's world, morality is physically enforced. Those who are "good" are blessed with beauty, while those who are not suffer horrifying consequences—disfigurement, or even death. When the cleric's daughter stumbles onto information that proves her world is more complicated than it seems, she finds herself at the center of an epic battle where good and evil are not so easily distinguished. Despite all her efforts to live a normal teenage life, Grace is faced with a series of decisions that will risk the lives of everyone she loves.
